All of the information on this form is accurate to the best of my knowlege. Furthermore, I give permission for Padre Pio Academy to obtain transcripts from the schools previously attended by the students we are enrolling.

My signature below indicates that it is my intention to enroll my child(ren) in the Padre Pio Academy and I understand the $250.00 registration fee is separate from tuition and is non-refundable.

I also agree to help with fundraising activities to the best of my ability during the school year, including selling $400 worth of raffle tickets during our spring raffle (or making an equivalent donation). I am aware the Padre Pio Academy does not receive tax support from any level or government and therefore relies upon private donation and fundraising dollars to stay in operation. All families are expected to help in these efforts.

I understand that all students and families are expected to abide the guidelines outlined in the Padre Pio Academy Family Handbook.
